Congratulations on your upcoming Wedding:

We have been serving the Winona, La Crosse & Rochester Bridal Market since 1986. We are hard to beat in tuxedo pricing, because we have been in business so long: We own our own building so there's no high mall rent to pass on, we own our fleet of Limos, and we get volume **DISCOUNT PRICES** from Jim's Formal Wear.

\$50 OFF TUXEDOS: With our **\$50 OFF** a full (w/ Shoes) retail priced tuxedo applied to our Jims Formal Wear Tuxedo Collection, our **lowest priced** tuxedo with shoe rental is only \$105, and our **highest priced** tuxedo Michael Kors with shoe rental is only \$146. **Nobody can match this price.** That price includes all designer Vests, Ties and Shirts. No Damage Waiver Fees, NO SALES TAX (save an average of \$9 per tux), no hidden fees. Many other Tuxedo stores offer \$40 & \$50 off, but their starting price is much higher than ours. **Nobody can match our prices**

OR

\$70 OFF LIMO: For each retail paid Full Tuxedo Rental you will get \$70 OFF the price of a limo, from Nov – April or any time of the year that's not a Saturday (good for SUNDAY – FRIDAY Weddings). With 7 paid tuxedos, you can get 2-FREE HOURS of Limo Coach Service, and a FREE Groom's tux. When you start adding up the Groomsmen, Ushers, Fathers, Ring Bearer, Miniature Groom, and Grandfathers (yes, it's amazing to see Grandfathers in Tuxedos, they become part of the party), these tuxedo numbers add up fast, to get you that Free Limo Coach. Larger Tuxedo parties will get you a larger passenger **FREE WEDDING LIMO COACH** and extra discounts on your Bachelor/ette Party. All you pay for is the Traveling Fee (if any) and drivers 15% tip. These are not included in the tuxedo discount.

Name Your Price: When you take advantage of the free limo deal, your Groomsmen will pay the full retail price of the tuxedos. With our lower starting price, our customers tell us we are cheaper with the free limo deal than the large mall retail tuxedo stores. Plus in Minnesota, there's no sales tax, so that's an additional \$9 added to their tux rental, if you don't rent in Minnesota. **You can name your price** with our \$70 off. You can split the difference and give a \$35 discount on the tuxedos, and \$35 off the limo. Plus Free Grooms Rental with five paid.

Tuxedo Cancellation: Most Tuxedos stores will have you put down a deposit, to lock you into their deal, so you won't switch when you find a better deal. Why tie up your money for a tuxedo you don't have to pay for. At The Wedding Planners, we do not take deposits on Tuxedos. There are no penalties to cancel your tuxedo order if you find a better deal, just let us know. All you have to do is pay back the discount you received on the Tuxedos toward the limo deal.

FREE SATURDAY RED LABEL SHIPPING:

The #1 worry of brides in formal wear is what happens if it doesn't fit. After 30 years of measuring it's rare for us to make an error, but the majority of size requests are done elsewhere and called or mailed in to us. Shirts and shoes are the #1 replaced item. To help prevent mistakes, we carry a full line of replacement tuxedo shirts, and Nuvo shoes in our inventory at our store. Other items can be replaced by ordering them and having them here the next day. If the measuring error is discovered on Friday, we will ship to **your location** on Saturday with overnight Red Label Shipping. This is an average of a \$50 expense. We do not charge for this service. Check with our competition and you will find this hidden fee of **\$40 to \$60.**
