## Other Ideas that you can use this credit on

**Rehearsal Dinner:** How fun and stress free would it be to be organized in one pick up location, taken to the Church for rehearsal, then out to dinner? Check out our Savory Creations Show Dinners. No driving worriers.

**Limo Coach Open Bar:** Because of the cost of open bars at receptions, customers have been renting the limo coaches and letting their guests go on a Booze Cruise. You stock the coach with your favorite spirits and let your guests go on a very short 10-minute cruise. They get to go with the group they came with or table they're sitting at. Makes it extra special event for your guests, and can save you and your guest the high drink prices.

**Safe Ride Home:** We can provide shuttle service from your venue to the hotel. We can also perform this service before the ceremony and shuttle your guests to and from the venue. After the 3<sup>rd</sup> hour the prices drop dramatically to \$85 per hour for the 18/22 passenger and \$130 for the 26/28 passenger.

**Casino Special:** Don't forget our Treasure Island Special! With a group of 20, you can spend four hours at the casino and party on the way up and back for only \$10 per person after casino rebate. Enjoy the comfort of more room and have less people in the vehicle, paying a little bit more for each person.
